Personal Data

Cellvation handles your personal data with utmost care. Cellvation acts according to the law of the General Data Protection Regulation, which regulates information about identified or identifiable persons. Examples of personal data are names, e-mail addresses and telephone numbers. The rights stated in the GDPR apply to every Cellvation contact.

Privacy Principles

Cellvation will handle your personal data transparently and carefully. Your personal information will only be used for the purpose for which it has been made available. Cellvation will therefore always do its best to guarantee your rights.

Storage Period

Your personal data will not be kept longer than is deemed necessary. If data is no longer needed, it is destroyed or archived.

Data Security

At Cellvation personal data is protected with modern technology. The data will also be handled carefully within the organisation. Cellvation only shares your data with third parties with your explicit consent.

Your Rights

The General Data Protection Regulation (GDPR) contains your privacy rights:

- You are entitled to information;
- You have the right to review;
- You are entitled to rectification;
- You are entitled to oblivion;
- You are entitled to data portability;
- You have the right to object;
- You are entitled to limit data processing.
